GEL AND FOAM WHEELCHAIR CUSHION

★★★★★

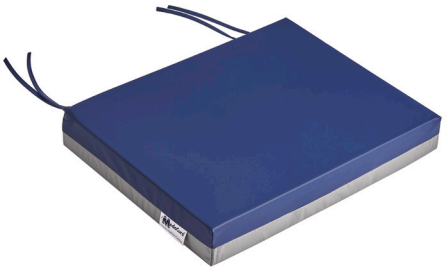

The **Medacure Premium Foam and Gel Wheelchair Cushions** are designed to redistribute pressure and weight, aiding in the prevention, treatment, and management of pressure ulcers. These cushions provide enhanced support and comfort for individuals who remain seated for long periods. Featuring a waterproof, breathable 2- way stretch cover with an anti-slip bottom, they ensure durability and stability. Available in a range of standard and bariatric sizes to suit diverse needs.

- **FOAM: High density polyurethane foam**
- **GEL: Offers excellent pressure redistribution and efficiently conducts heat, delivering a cooling sensation during prolonged sitting.**
